Holi celebrations

Holi, the festival of colors, was celebrated in our school through this virtual dance video.

Students performed dances on holi songs and learned more about Holi, as the religious festival, and enjoyed a performance. There is a deep sense of praying to the divine for protection, for shelter, to hold us all and care for us all - perhaps now more than ever this is such an important part of the Holi celebration. We are praying for the protection and the uplifting of us all."

Colours of happiness and joy are the most beautiful colours of life. May the seven colours of rainbow come together this Holi to spread peace, prosperity and progress.
