MAHAVIR JAYANTI

4th April, 2023

Let us follow the teachings of Lord Mahavir and adopt the path of truth, non-violence and peace.

Mahavir Jayanti was celebrated in the school on 3rd April, 2023. This day is celebrated to mark the birth anniversary of Lord Mahavira, the founder of 'Jainism'. A special assembly was held to mark the day. The life and teachings of Lord Mahavira were told to the students. Quotes and thoughts of Lord Mahavira were also shared with everyone. Students presented beautiful posters with messages. The emphasis was on achieving world peace and harmony in a manner that causes no harm to living beings.

WORLD HEALTH DAY

7th April, 2023

'Health is the greatest wealth'

World Health Day was observed in our school on 6th April 2023. The theme of the day 'Health for All' was forwarded.

Students shared posters with thought provoking messages. A student of class VIII gave a speech to highlight the significance of the day. Health tips were also shared with the students. The focus was to make students understand the importance of healthy living.

GOOD FRIDAY

7th April, 2023

'Good deeds will always prevail'

Let's pray for God's mercy, blissfulness and forgiveness in our life.

Good Friday is the Friday before Easter, the day on which Christians annually observe the commemoration of the Crucifixion of Jesus Christ. A special assembly was held in the school on 6th April, 2023 to mark the day. Students of class VIII told the significance of this day. Posters with messages were also shared with the students.

HAPPY BAISAKHI

14th April, 2023

'May you harvest all the fruits of your hardwork and walk ahead with hope and positivity'

Baisakhi Celebration

The school celebrated Baisakhi with great zest and enthusiasm. The spirit of the festival was evident as the students of Class IV gave a mesmerizing dance performance. The significance of this harvest festival was shared with the students. Colourful posters were displayed by the students. Baisakhi has a tradition of dance, music, enjoyment and commemorates the virtue of our great gurus and saints. It teaches the value of hard work and obtaining the bountiful harvest of success.

HAPPY AMBEDKAR JAYANTI 2023

14th April, 2023

'If you believe in living a respectable life, you believe in self-help which is the best help.'

To mark the birth anniversary of Dr. Bhim Rao Ambedkar, a special assembly was held in the school. His contribution in drafting and framing the constitution of Independent India was remembered through a speech which was given by a student of class VII. Posters with messages were displayed. May the spirit of fighting against the oppression always inspire us to stand against the wrong.

WORLD HERITAGE DAY

18th April, 2023

Enjoy your cultural diversity, preserve it for future identity.

World Heritage Day was celebrated in the school on 18th April, 2023. A special assembly was organised for the same. An array of activities were held to make everyone realise about the importance of our legacy and the need to save our rich heritage. A pledge, to preserve and protect our valuable heritage sites, was also taken by the students. Posters of important heritage sites, with messages, were displayed. The message that 'We all are a part of heritage and we all must work together to keep it intact' was shared with all.

Earth Day Celebration

22nd April, 2023

It is a shared responsibility to combat the nature crisis and ignite a movement towards a more sustainable and equitable future.

Theme: Invest in Our Planet

Earth Day was celebrated in our school on 21st April 2023. This day is celebrated to raise awareness on the need to protect Earth's natural resources for future generations and honour the achievements of the environmental movement. Students of class VIII performed a skit and made everyone aware of the need to dispose of the waste properly to keep our Earth clean and the consequences of global warming. Students recited poems on 'Mother Earth' and presented beautiful posters depicting our planet and urging all to save Earth's resources by protecting the forests and biodiversity. It was indeed a thought provoking session and benefited all.

EID-UL-FITR

22nd April, 2023

Let us come together in the spirit of peace, compassion, and harmony.

A special assembly was organised in the school on 21st April, 2023 to celebrate Eid-UI-Fitr.

It marks the end of the holy month of Ramadan. Eid-UI-Fitr is an important religious festival celebrated by the Muslims worldwide.

Posters on Eid-UI-Fitr were shared with the students. A student of class VI gave a speech to highlight the significance of Eid-UI-Fitr. The message of the day 'Brotherhood, Forgiveness and Peace' was shared with the students.

MANAV EKTA DIWAS

24th April, 2023

Let's value Humanity, Peace, Love and Harmony One World One People.

Every year April 24th is celebrated as the Human Unity Day or Manav Ekta Diwas by the Nirankari mission. This day is the anniversary of the sacrifice of Baba Gurbachan Singh ji for the entire humanity.

This day was observed in the school on 21st April, 2023. A cultural programme was held. Students recited a 'shabad'. The teachings of Babaji were shared with all the students. Baba Gurbachan Singh ji was known for always encouraging people to be helpful and resourceful. The need and importance of blood donation, tree plantation and cleanliness drives was explained to the students.

WORLD MALARIA DAY

25th April, 2023

On 25th April, 2023 a special session was held in the school to mark World Malaria Day. This day serves as a reminder that by working together, we have the ability to eradicate malaria. Students presented posters on the theme- "Time to deliver zero malaria: invest, innovate, implement". Students were made aware of the causes and preventive measures against malaria.

INTERNATIONAL LABOUR DAY

1st May, 2023

'A worker is a creator and a great asset to every nation'

May 1st is celebrated as 'International Labour Day or May Day'. This day has its origin from the Labour Union Movement in the U.S. This day which marks the celebrations of the working class and the labourers has put an end to their exploitation and unfair treatment. Our school also celebrated this day by paying respect to the helpers who work for the school. Beautiful cards made by students were distributed to the housekeeping staff and the supporting staff of the school. Hon. Headmistress of our school shared an important message that we must teach our children to have gratitude in hearts for those who serve us and this day reminds us to be kind and respectful towards all those who help us on daily basis.

WORLD ASTHMA DAY

2nd May, 2023

Let us plant more trees.

Let us work to control pollution so that we can breathe fresh air and stay healthy.

“ASTHMA CARE FOR ALL”

‘World Asthma Day’ is a day to make people aware of Asthma, its causes, symptoms, and preventive measures. The day was observed in the school, on 4th May, 2023. A speech was delivered by a student informing all about the significance, history and importance of the day. Students showcased various posters on the theme of the day.

Happy Buddha Purnima

5th May, 2023

'He seated himself beneath the Bodhi Tree in the meditation posture and vowed not to rise from meditation until he had attained perfect enlightenment. He, was Gautama Buddha!'

To commemorate the birth and enlightenment of Gautam Buddha, students of our School celebrated Buddha Purnima with utmost veneration and sanctity on 5th May, 2023. This day is celebrated to mark the birth anniversary of lord Buddha. The life and teaching of lord Buddha were shared with the students during the assembly. Students displayed beautiful posters and banners that explained the noble eight fold path of Buddhism. The students felt motivated to follow and practice the preaching of Lord Buddha in their life which includes attaining knowledge and walking on a path of peace, love for mankind and kindness.

LAUGHTER DAY

7th May, 2023

'Laugh is and will always be the best form of therapy'

World Laughter day is celebrated every year on the first Sunday of May to raise awareness about laughter and its many health benefits. This day was celebrated in the school on 7th May, 2023. Students showcased the benefits of laughing in one's life. Laughter Yoga was also performed by the students making their morning healthier and happier. World Laughter Day is a reminder that we must never miss a chance to laugh and add more years to our lives.

RED CROSS DAY

8th May, 2023

“The end of all knowledge should be service to others.” – Cesar Chavez

The students and teachers of our school came together on 8th May, 2023 to honour Henry Durant, the founder of the International Committee of the Red Cross and the recipient of the Nobel Peace Prize. The aim was to teach students the value of health in our life as well as the importance of respecting human dignity. The young students participated zestfully in slogan writing and poster making competition to mark the Importance of the World Red Cross Day. Every person has a responsibility to help others and support the society, and Red Cross.

INTERNATIONAL NURSES DAY

12th May, 2023

“Nurses dispense comfort, compassion, and caring without even a prescription.”

NURSES DAY

International Nurses Day was observed in the School on 12th May, 2023 to mark the anniversary of Florence Nightingale's birth in 1820. The day is set aside to honour and note the many contributions nurses make to society. This day was celebrated in the school by showcasing a skit appreciating the efforts by the nurses. Students also presented various slogans and posters to mark the day.

MOTHER'S DAY

14th May, 2023

'God could not be everywhere and therefore he made mothers'

Mother's Day is a celebration honouring mothers as well as motherhood, maternal bond and influence of mothers on the society. To show love and respect for their mothers, the young, enthusiastic and adorable children celebrated this most special day with lots of fun activities and some memorable performances on 12th May, 2023 during the morning assembly. Students came up with their presentation of songs, rhymes and dance performance to convey gratitude to their moms for their unconditional love. The fruitful and honest efforts of the children rejoiced everyone and focused on strengthening the mother-child relationship. It was indeed a great experience and a perfect blend of emotions and feelings. This day provides us a chance to express our utmost gratitude to our mothers and learn valuable life lessons from them.

International Family Day 2023

15th May, 2023

“When there is no light, the family will guide you home, When you feel alone, there is a family to call your own.”

**Family is the strongest pillar in one's life.
Let us nurture it with love and care.**

There was excitement in the air, when all the students and teachers assembled on 18th May to celebrate the International Family Day. The celebration started with a special assembly in which children were given the opportunity to express their feelings about their family. Two Students also gave a speech on the Importance of Family in one's life and presented various slogans and posters to mark the day.

INTERNATIONAL YOGA DAY

21st June, 2023

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body. It is a holistic approach to wellness.

Warm up exercises were taken and all the students practiced and performed sitting and standing asanas. Importance of these asanas was explained simultaneously. The zest and enthusiasm, in students, for incorporating simple asanas in their regime was remarkable.

SUMMER CAMP

A Fantastic, Funfilled Summer Camp

22nd May, 2023 to 29th May, 2023

Camp is where I learned about me: Facing fears, trying new things, pushing boundaries and accepting myself.

The Summer Camp organised by the school was great success. Students had an amazing time learning new skills. It provided them a platform to explore and express their creativity in various forms.

English Conversation Classes

English conversation classes were conducted, in three groups, by Mrs. Amita Ms. Yamini and Ms. Preeti. In the first group, comprising of classes I and II, the students learnt to introduce themselves and converse in short and simple sentences. A special session was also held in which the students were shown a story and were asked questions at the end to enhance their listening skills. In second group, Classes III to V, students participated in extempore and role play. Third group was of classes VI to VIII. In this group, students learnt some idioms to make their language impressive. A short skit was also prepared using idioms.

Math Magic

Students were engaged in Maths activities in summer camp. Students enthusiastically participated in various Maths activities broadening their knowledge and understanding of mathematical concepts. One engaging activity was to verify the distributive property of whole numbers by using coloured sheets and use of scissors also. That was an interesting activity for students at the summer camp!

By engaging in this hands-on activity, students got the opportunity to work collaboratively, practice multiplication with whole numbers, and gain a deeper understanding of the distributive property.

Fun with Science

During the summer camp, students enthusiastically participated in various science activities, broadening their knowledge and understanding of scientific concepts. One engaging experiment involved exploring the phenomenon of why biscuits do not sink in ENO water. Through hands-on exploration, students learned about the chemical reactions and properties of ENO, unraveling the mystery behind the buoyancy of the biscuits. Additionally, students delved into the world of natural indicators, with a particular focus on turmeric. By conducting experiments, they discovered how turmeric can be used as a natural indicator to detect changes in acidity or alkalinity. These engaging activities fostered a love for science among the students, encouraging curiosity and promoting a deeper understanding of scientific principles.

The Magic of Art and Craft

Summer camp involved loads of fun activities for children, Students learnt new skills and participating in art and craft activities at the summer camp from 22nd May to 29 May, 2023 was an added bonanza for them. Students learnt to make various items from waste material. Everyone appreciated their unique ideas, efforts and creativity.

Music and Dance Sessions

Dance is Music Made Visible

Special music and dance classes were conducted for the children. Students learnt to play tabla, dholak, guitar, and harmonium. They enjoyed learning new skills, dancing, and different hast mudras. Classical dance on Guru Vandana and Rajasthani Puppet Dance both were taught to the students. The focus was also on playing instruments that the children loved. A fun-filled summer camp, with music and dance classes was appreciated by everyone.

Fun with Computer

Special Computer Activities were conducted for the students of class III to VIII .
Students of class III to V worked on MS Paint and MS Word software and enjoyed making paintings with the help of different tools like shapes, colors, Page border, group etc.
Students of class VI to VIII worked on MS Excel and MS Word software and learnt different ways of forming a table and designed a cover page. A fun-filled and informative summer camp classes were appreciated by everyone.

जल संरक्षण

जल ही जीवन है ।
जल है तो कल है ।
जल के बिना सब सून जगत में,
यह अनुपम धन है ।
जल ही करता हम सब का पोषण ।
मानव , पशु पक्षी और खेत ,
जल से ही है वन , उपवन
हम सब जल पर निर्भर हैं ।
मानव मत कर जल को बर्बाद,
मर जाएंगे हम सब प्यासे ,
खत्म हो जाएगी सारी आबादी ।
जल को दूषित कर के मानव,
मत कह लाओ तुम दानव ।
आओ , हम सब शपथ लें,

करेंगे जल का संरक्षण,
तभी होगा भविष्य उज्ज्वल ।
जल ही जीवन है,
जल है तो कल है ।

MY INSPIRATION

Dear Friends

I would like to share some quotes with you which inspire me to achieve my goals. I hope you will read and appreciate these quotes.

“Happiness will never come to those who fail to appreciate what they already have.”

Lord Buddha

“Responsibilities gravitate to the person who can shoulder them.”

Elbert Hubbard

“The price of greatness is responsibility.”

Winston Churchill

“If discipline were practiced in every home, juvenile delinquency would be reduced by ninety-five per cent.”

J.Edger Hoover

“Great minds have purposes, others have wishes.”

Washington Irving

“Winners don’t do different things, they do things differently.”

Shiv Khera
