Mother: A beautiful Creature

She is God's beauty
Who fulfills her duty,
She is the one on earth,
Who gives us birth!
She looks after us,
Without making a fuss
She ensures a good upbringing ,
To make us a nice soul.
Without her guidance,
We would miss the important lessons of life,
More important for development Than school or tutor's advice
She is god's most precious gift ,
Who shapes the future of her child. By doing for us all that is
right
She makes our future bright.
